BOOKS FOR ACP ENGLISH (W131)

SCHOOL YEAR 2015-16

The books we are using this year for W131 (Fall semester) are updated versions of what we've used in the past. You will need to acquire these new books. Previous PHS students will *not* have copies of these books.

FOR THE FALL: For W131 (Reading, Writing and Inquiry)
Starting in July you will need to have access to two books:

BOOK 1:

Writing Analytically, Seventh Edition. Cengage Learning

You can buy or rent this book at various on-line outlets. However, the publisher's site is here:

If you rent, be sure you rent the book through the end of the first semester.

You will also need the following book. It is *not* available electronically for the iPad or any other mobile device. You'll need to order the paper version. It is only available through Indiana University's on-line book store whose address is listed below.

BOOK 2:

Writing and Reading for ACP Composition, 2nd edition, Ferris and Jessup.

(MAKE SURE YOU HAVE THE SECOND EDITION.)

Place orders online at www.tisbookiu.com. You may order your book from TSI starting on June 1.

Each high school that has requested TIS to carry books will be listed on the website under ENG-W 131 with their school name as the section number.
